

# NEWTEC PACKAGING

## About Us

In the early 1980s Newtec Packaging had begun by supplying very small amounts of polythene carrier bags on a door to door basis to local corner shops in the East London area. Having built up a loyal and trustworthy customer base, Newtec Packaging extensively increased its lines to paper bags, refuse sacks, catering goods and a large range of household items. Newtec has grown to serve its client base throughout the UK with an enviable reputation.

At Newtec Packaging we Import and distribute a large range of products such as polythene carrier bags, refuse sacks, paper bags and various catering supplies for all industries.

Newtec Packaging is at the forefront of supplying packaging products to its wide range of clientele. From everyday use items associated to the retail market to the more sophisticated up market clientele such as wholesalers and chain stores. At Newtec we are envied by our competitors in our ability to provide the widest range of packaging products at the lowest prices.

We believe that the key to our success is providing the best quality products and offering a transparent business relationship to all our customers being small stores or larger retail chains. Having built a valuable name within the market, we feel that we have a loyal customer base and strive to fulfil all our customer needs.

## Services

At Newtec Packaging we insist in making sure each transaction is handled in a smooth, hassle free and efficient manner. All our enquiries are handled by our helpful, experienced and dedicated team that will ensure your query is dealt with the upmost professionalism.

At Newtec Packaging we are constantly thriving on investing in new methods to make our products and services reliable and cost effective which allow us to provide our customers with the most competitive prices.

As we consider ourselves as experts within the packaging field, we offer a full bespoke printing service, which we can produce any printed vest carrier bag with your design to boost the image of your business and stand out from your competitors. Our in house designers and marketing team will assist you in making you get the most out of your printed carrier bag.

## Quality Assurance

Our stringent quality control procedures have been carefully developed in the UK. An experienced and professionally qualified in-house Quality Assurance team also works tirelessly to ensure that the same methodologies are adopted and adhered to throughout our global operations and supply chain.
